ABOUT ICPCM2024

We are delighted to extend an invitation to you for the International Conference on Polymers and Composite Materials (ICPCM 2024), scheduled for November 04-06, 2024, in Vancouver, Canada.

Polymers 2024 is designed not merely as a conference, but as a crucible for innovation. It aims to bring together a diverse group of researchers, practitioners, and professionals from industry, academia, and government. This unique amalgamation ensures a holistic understanding of the subject matter, where theoretical foundations meet practical applications. ICPCM 2024 is more than just a one-time event; it is a significant enabler and catalyst for shaping the future of Polymers and Composite Materials, ensuring that technology continues to benefit humanity to the fullest extent possible. Join us on this fascinating journey as we navigate towards a future enriched by technology and connectivity.

We look forward to your active participation in the conference from November 04-06, 2024, in Vancouver, Canada.

Sincerely,

Spandana | Conference Secretary

SCIENTIFIC BOARD MEMBERS

Mahdi Bodaghi

Nottingham Trent University, England

Justin Diles

Ohio State University, USA

Alessandro Pegoretti

University of Trento, Italy

Mariyam Jameelah

Universiti Kebangsaan, Malaysia

LU, Lin Vivien

Hong Kong University, Hong Kong

Brahim Benmokrane

Director of Sherbrooke Research Center on FRP Composite Materials, Canada

Elizabeth Amir

Shenkar University, Israel

Eyad Sayed Abdallah Khalaf

Professor in Polymer Technology and Material Science, Egypt

Scientific Sessions

- Polymer Science and Technology
- Advanced Synthetic Polymers
- Polymer Design and Reaction
- Polymer Synthesis and Polymerization
- Colloid and Polymer Science
- Polymeric Material Chemistry and Physics
- Polymer Electronics: Optics, Fiber and Lasers
- 3D Printing Polymers
- Synthetic and Green Polymers
- Polymers in Petroleum Refinery
- Oils and Bio-Inorganic Materials
- Environmental Impact of Polymer-Waste Disposal
- Polymer Membranes for Environments and Energy
- Recycling and Waste Management of Bio-polymers

For More Info

<https://pagesconferences.com/2024/polymers-materials>

Scientific Sessions

- Composite Materials in Aerospace Applications and Technologies
- Marine Applications of Advanced Fiber-Reinforced Composites
- Computational Materials Science
- Plastic Processing and Composite Materials
- Carbon Matrix Composites and Metal Matrix Composites
- Recycling Technologies for Thermoset Composite Materials
- Organic and Inorganic Composites
- Material Science & Nanotechnology and Nano- Additive Manufacturing
- Biomaterials and Tissue Engineering
- Polymers Electrochemistry
- Mechanical and Physical Properties of Composite Materials and High Performance materials
- Biochemical-Bio Degradation of Polymers
- Self-healing polymers and composites

Why to Attend???

- Meet worldwide Experts, Exchange ideas and network with leading researchers.
- Learn and discuss quality initiatives, key news and challenges with senior level speakers.
- Learn skills and stay up-to-date with presentations, panel discussions, roundtable discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
- Greater Focus, participants can gain direct access to a core audience of professionals and decision-makers and can increase visibility through branding and networking.
- New Tips & Tactics you can learn beyond your field or interest.

Who Can Attend?

- Professors
- Associate Professors
- Assistant Professors
- Phd Scholars
- Graduates And Post Graduates
- Directors, Ceo's Of Organizations
- Head Of Departments
- Association, Association Presidents And Professionals
- Research Institutes And Members
- Training Institutes
- Students
- Delegates

Conference Opportunities

For Researchers and Faculty Members:

- ✓ Speaker Presentations (Oral)
- ✓ Poster Display
- ✓ Symposium hosting (4-5-member team)
- ✓ Workshop organizing

For Universities, Associations & Societies:

- ✓ Association Partnering
- ✓ Collaboration proposals
- ✓ Academic Partnering
- ✓ Group Participation

For Students and Research Scholars:

- ✓ Poster Presentation
- ✓ Young Researcher Forum
- ✓ Student Attendee
- ✓ Group Registrations

For Business Delegates:

- ✓ Speaker Presentations
- ✓ Symposium Hosting
- ✓ Book Launch Event
- ✓ Networking Opportunities
- Audience Participation

For Product Manufacturers:

- Exhibitor and Vendor booths ✓
- Sponsorship Opportunities ✓
- Product Launch ✓
- Workshop Organizing ✓
- Scientific Partnering ✓
- Marketing and Networking ✓
with Clients

Registrations

	Earlybird Registration on/before March 15, 2024	Standard Registration on/before June 15, 2024	On Spot Registration on November 04, 2024
Speaker Registration	\$749	\$849	\$949
Delegate/Listener Registration	\$899	\$999	\$1099
Poster Registration	\$449	\$549	\$649

Group Participation Benefits:

- 10% Discount for a group of 5 members
- 15% Discount for group of 10 members
- 25% Discount for group of 20 members

Localities Participation Benefits:

- 25% Discount will be provided for the participants
Who are attending from the local universities and Organizations.

Registration Includes:

- Access to all Scientific Sessions, Poster sessions, Exhibitions
- Handbook & Conference Materials
- Lunch, Tea/Coffee breaks during the conference days
- Certificate Accreditation from the Organizing Committee
- Wi-Fi in the meeting rooms

How to Register:

In order to register for ICPCM-2024, please complete the online form available on:

Conference Venue

Vancouver, Canada

- Vancouver, a bustling west coast seaport in British Columbia, is among Canada's densest, most ethnically diverse cities. A popular filming location, it's surrounded by mountains, and also has thriving art, theatre and music scenes.

Vancouver Art Gallery is known for its works by regional artists, while the Museum of Anthropology houses preeminent First Nations collections.

- Vancouver is known for its natural beauty and urban lifestyle. It has many attractions, such as Stanley Park, one of the largest urban parks in the world, where you can enjoy walking, cycling, or jogging along the seawall, or visit the Vancouver Aquarium, the largest in Canada

- You can also explore the city's cultural scene, with its theatres, museums, art galleries, and music venues. Some of the popular ones are the Vancouver Art Gallery, the Museum of Anthropology, the Queen Elizabeth Theatre, and the Commodore Ballroom

- Vancouver is also a gateway to many outdoor adventures. You can ski or snowboard at the nearby North Shore Mountains, or take a ferry to Vancouver Island and visit Victoria, the capital of British Columbia. You can also go whale watching, kayaking, or hiking in the surrounding areas. Vancouver has something for everyone, whether you are looking for nature, culture, or entertainment.
