About ICTAP2024

We are delighted to extend an invitation to you for the **International Conference on Toxicology and Applied Pharmacology (ICTAP 2024)**, scheduled for **September 19-21, 2024, in Paris, France**.

Toxicology 2024 is designed not merely as a conference, but as a crucible for innovation. It aims to bring together a diverse group of researchers, practitioners, and professionals from industry, academia, and government. This unique amalgamation ensures a holistic understanding of the subject matter, where theoretical foundations meet practical applications. ICTAP 2024 is more than just a one-time event; it is a significant enabler and catalyst for shaping the future of Toxicology and Applied Pharmacology, ensuring that technology continues to benefit humanity to the fullest extent possible. Join us on this fascinating journey as we navigate towards a future enriched by technology and connectivity.

We look forward to your active participation in the conference from **September 19-21, 2024, in Paris, France**.

Sincerely,

Spandana | Conference Secretary

ICTAP 2024

SCIENTIFIC BOARD MEMBERS

Dr. JD Doherty

Independent Toxicologist, USA

Dr. Carmela Saturnino

University of Basilicata- Potenza, Italy

Dr. Stelvio Bandiera

University of Guelph, Canada

Dr. Jason Cannon

Ulm University Medical Center Institute of Pharmacology and Toxicology
Germany

Dr. Mohammad Kamil

Director General Lotus Holistic Health Institute, United Arab Emirates

Dr. Francesco Paolo Bianchi

University of Bari Italy

Dr. Yusra S. Andijani

Taibah University, Saudi Arabia

Dr. Awad Kareem

Ruprecht-Karls University of Heidelberg, Germany

Dr. Mirjana Colovic

University of Belgrade, Serbia

OUR SPEAKERS

JD Doherty
Independent Toxicologist
USA

Merab Tsagareli
Ivane Beritashvili Center
for Experimental
Biomedicine, Georgia

M Natalia D.S. Cordeiro
University of Porto
Portugal

Awad Kareem
Ruprecht-Karls University
of Heidelberg
Germany

Lars van der Veen
iOnctura
Switzerland

Mohammad Kamil
Lotus Holistic Healthcare
Institute
United Arab Emirates

Dr. Stephen Tower
University of Alaska
USA

Alexandros Makriyannis
Northeastern University
USA

Dr. Nidhi Gupta
Indian Institute of
Toxicology Research
India

Dr. Yusra S. Andijani
Taibah University
Saudi Arabia

Dr. Kathy Wu
University of New
South Wales, Australia

Prof. Chikezie Kennedy Kalu
University of Nigeria
Nsukka, Nigeria

Dr. Jiyoung Jeong
Korea Institute of
Radiological and Medical
Sciences, South Korea

Scientific Sessions

- Cardiovascular Pharmacology
- Food Safety and Environmental Toxicology
- Forensic Toxicology
- Industrial and Occupational Toxicology
- Medical and Clinical Toxicology
- Pharmaceutical Toxicology
- Toxicology and Risk Assessment
- Immune Toxicology
- Behavior Toxicology
- In Vitro Toxicology
- Clinical Pharmacological
- Microbial toxicology
- Pharmacogenetics and Pharmacogenomics
- Drug Toxicity & Drug Delivery Systems
- Molecular & Cellular Pharmacology
- Analytical Toxicology
- Experimental and Toxicology Pathology
- Medical Development and Safety Testing
- Nano toxicology
- Aquatic Toxicology

Venue

Paris, France

Paris, France is a beautiful and historic city that attracts millions of visitors every year. It is the capital and most populous city of France, located on the banks of the Seine River. It is also known as the City of Light, the City of Love, and the City of Art.

Some of the most famous attractions in Paris are:

- The Eiffel Tower, a symbol of Paris and one of the most visited monuments in the world. It was built for the 1889 World's Fair and stands 324 meters tall. You can enjoy a panoramic view of the city from its top floor or take a cruise on the Seine River from its base.
- The Louvre Museum, one of the largest and most renowned museums in the world. It houses a collection of over 35,000 artworks, including the Mona Lisa, the Venus de Milo, and the Winged Victory of Samothrace. You can explore its galleries and admire its architecture, which dates back to the 12th century.
- The Notre-Dame Cathedral, a masterpiece of Gothic art and architecture. It was built between the 12th and 14th centuries and features stained glass windows, flying buttresses, and gargoyles. You can visit its interior and see its relics, statues, and paintings, or climb its towers and enjoy a view of the city.
- Paris is also a great place to enjoy French cuisine, culture, fashion, and nightlife. You can taste delicious dishes such as croissants, crepes, cheese, wine, and macarons, or try some of the world-class restaurants and cafes in the city. You can also shop for clothes, accessories, books, and souvenirs at various markets and boutiques. You can also experience the lively and diverse music, theater, cinema, and art scenes in Paris.
- Paris is a city that has something for everyone. Whether you are looking for history, romance, art, or entertainment, you will find it in Paris. I hope you have a wonderful time exploring this amazing city

Conference Opportunities

For Researchers and Faculty Members:

- ✓ Speaker Presentations (Oral)
- ✓ Poster Display
- ✓ Symposium hosting (4-5-member team)
- ✓ Workshop organizing

For Universities, Associations & Societies:

- ✓ Association Partnering
- ✓ Collaboration proposals
- ✓ Academic Partnering
- ✓ Group Participation

For Students and Research Scholars:

- ✓ Poster Presentation
- ✓ Young Researcher Forum
- ✓ Student Attendee
- ✓ Group Registrations

For Business Delegates:

- ✓ Speaker Presentations
- ✓ Symposium Hosting
- ✓ Book Launch Event
- ✓ Networking Opportunities
- ✓ Audience Participation

For Product Manufacturers:

- Exhibitor and Vendor booths
- Sponsorship Opportunities
- Product Launch
- Workshop Organizing
- Scientific Partnering
- Marketing and Networking
with Clients
